# APPLY TODAY

BOYS & GIRLS | AGES 8 -13

The TMJ School of Dance Summer Intensive is an exclusive 5-day training and performance experience for 15 dedicated dancers, ages 8–13—offering personalized instruction in an intimate setting to help each student grow, refine technique, and elevate their artistry.

## HOW TO APPLY:

### 1 Online Application

Visit our website to complete the online application, providing all required student and family information

### 2 Video Submission

Submit your video audition by following the instructions provided for ballet technique, modern technique, and a one-minute creative solo.
